Selected projects

CPR app 10/2020 - 01/2021

Design and concept of two different apps to teach children the CPR technique. As a team, we went through all UX design processes and round up our project with a movie about our apps.

LGS 2020 04/2020 - 05/2020

Creating a complete onepage webdesign for the Landesgartenschau 2020 in Ingolstadt.

Gruber 20th - 22th Mar. 2020

As a part of the WeSVirus-Hackathon, we had to solve the problem of old, sick and disabled people, who can't go shopping during the Covid-19 pandemic. We created an app, called Gruber, to solve this problem.
